PROFESSIONAL EXPERIENCE | **INTERVENTION SPECIALIST-HERITAGE HIGH SCHOOL**
1/14-PRESENT

- Facilitate intervention and support groups for high school students.
- Provide resources and support to students and families re-entering school after drug or alcohol related suspensions.
- Perform Individual counseling with students.
- Follow up on teacher and staff intervention referrals.

SCHOOL COUNSELING INTERN -HERTIAGE HIGH SCHOOL
8/13-PRESENT

- Teach guidance lessons around college and career planning, stress management, drug and alcohol use and relational aggression.
- Support senior class in completing their FAFSA and scholarship applications.
- Work closely with seniors receiving the College Bound Scholarship through small group and individual college and career counseling.
- Design and implement academic support group for at-risk freshman students using achievement data to customize lesson plans to meet student's needs.
- Modify and create student schedules using Skyward.
- Work closely with school AVID program and College and Career Center to provide post-secondary support for juniors and seniors.

TEACHING PRACTICUM -WOODSTOCK ELEMENTARY SCHOOL
9/12-6/13

- Designed and implemented lesson plans focused on test taking strategies for students taking the OAKS state testing.
- Used the RTI model to identify Tier 2 students and provided academic interventions, while monitoring progress through the easyCBM program.
- Assisted classroom teacher in grading, assessments and progress monitoring.
- Led small academic groups focused on improving reading, writing, and mathematics.

SCHOOL COUNSELING INTERN -KINNAMAN ELEMENTARY SCHOOL
1/13-5/13

- Performed guidance lessons to K-5 students, focused on academic, personal/social and college and career development.

- Used school wide data and referrals to identify and implement small counseling groups to address the needs of the student population.
- Participated in school equity committee, established to ensure equitable teaching practices were being utilized at Kinnaman Elementary.

SCHOOL COUNSELING INTERN -EAST SYLVAN MIDDLE SCHOOL

9/12-12/12

- Collaborated with Student Support Team to create new progress monitoring tracking system for SPED referrals.
- Developed engaging curriculum for students, focusing on leaderships and civic action.
- Co-facilitated teen girls group to address relational aggression concerns from teachers and staff.
- Created an engaging academic support unit for students assigned to study hall by using innovative skill building and goal setting exercises. Through the use of data collection and student assessments, I was able to evaluate the success of the intervention and modify curriculum as needed.
